

REMARKS

This is a divisional application in which Applicant seeks patent protection for previously non-elected claims of Species II (claims 19-23) of the patent application. These claims generally refer to the embodiment illustrated in Figure 5. Each of the presently pending claims in this application is believed to be in immediate condition for allowance. Accordingly, the Examiner is respectfully requested to pass this application to issue.

In the unlikely event that the transmittal letter is separated from this document and the Patent Office determines that an extension and/or other relief is required, Applicant petitions for any required relief including extensions of time and authorizes the Commissioner to charge the cost of such petitions and/or other fees due in connection with the filing of this document to **Deposit Account No. 03-1952** referencing docket no. 306812003501. However, the Commissioner is not authorized to charge the cost of the issue fee to the Deposit Account.
